

S1h — the shame-like signature with the persona prompt held constant
 vicious route, agent-directed fork only: 64 act-focused against 19 self-focused, one system prompt, one route, one question wording
 `answer` position, folds by target (14 targets, 8 holding both classes).

The wide grey band is the floor per layer; the dark bar inside L14-18 is the floor on the headline statistic, the seeds' own band means. EXPLORATORY.

random floor, randctl seeds 0-9 (min-max)

bag-of-words baseline (0.575 / 0.611)

the same baseline mirrored through 0.5

seed floor on the headline statistic: their own L14-18 band means
